I. WELCOME FROM THE PRESIDENT

Dear Limestone Students:

Welcome to the 2017-2018 academic year at Limestone College. We are happy that you are part of the Limestone community. Your faculty, staff, administrators, and fellow students are all interested in making your time at Limestone a positive and memorable experience.

Our day students know that this is a small, friendly, caring campus where you are known as an individual, not a number. I hope that you are intellectually challenged by our fine academic programs. Beyond the classroom, I hope that you will take advantage of the many social, cultural, and athletic programs offered at Limestone. All are vital elements of a positive college experience.

Our Extended Campus students are part of one of the first and most successful programs designed specifically to enable working adults to complete a baccalaureate degree. More than 60% of our 20,000 living alumni have completed their studies through the Extended Campus. Today, Limestone is truly a “statewide” college with students enrolled at six Extended Campus sites throughout South Carolina. Our Internet program, begun in 1996, is one of the most respected programs of its type anywhere in the United States. Limestone’s total enrollment is nearly 3,100.

I look forward to working with each of you and seeing you graduate upon the successful completion of your Limestone studies. Best wishes for a successful year!

Sincerely,

A handwritten signature in blue ink that reads "Walt Griffin". The signature is written in a cursive, flowing style.

*Dr. Walt Griffin
President*

II. ALMA MATER

*In Southern Carolina,
Beneath the pine tree's cone
There stands my Alma Mater,
My dear, my fair Limestone.
'Tis there my memory lingers,
And naught can quite compare
To the hours I spent at Limestone,
At Limestone, dear and fair.*

*The hours of life flow swiftly,
And change must come to all;
Our friendship must be severed
To answer duty's call.
But memories never perish,
And that of fair Limestone
Must be with me forever,
The brightest, sweetest one.*

Chorus

*Oh Limestone, cherished Limestone,
I love thy classic halls;
Oh, Limestone, fairest Limestone,
I love thy sacred walls;
Thy name I crown with honor,
And I shall ever give
To thee a heart's devotion,
As long as I shall live.*

III. INTRODUCTION TO LIMESTONE COLLEGE

Limestone College is an accredited, independent, coeducational four-year liberal arts institution chartered by the State of South Carolina. Limestone College is a Christian non-denominational college. Its programs lead to the Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Science, Bachelor of Social Work, Associate of Arts, Associate of Science degree and Masters of Business Administration degree. For more information, please see the Graduate Program Academic Catalog.

LIMESTONE COLLEGE MISSION

The mission of Limestone College is to educate students from diverse backgrounds in the liberal arts and selected professional disciplines. By providing degree programs throughout South Carolina and by way of the Internet, Limestone College offers opportunities for personal and professional growth to individuals who may find access to higher education difficult.

In a nurturing, supportive environment based on Christian ideals and ethical principles, students are challenged to become critical thinkers and effective communicators who are prepared for responsible citizenship, successful careers, and graduate study.

The College's faculty and staff, academic and co-curricular programs, financial resources, and support services are dedicated to an educational climate that upholds high academic standards and fosters respect for learning and beauty, creativity and hard work, tolerance and personal integrity, vigorous activity and spiritual reflection.

HISTORY

Limestone College was established in 1845 by Dr. Thomas Curtis and his son, Dr. William Curtis, distinguished scholars born and educated in England. Limestone was the first woman's college in South Carolina and one of the first in the United States. In the late 1960's Limestone became fully coeducational.

Limestone was a pioneer in providing educational opportunities for working adults wishing to complete a baccalaureate degree. The Block Program, established in 1976, brought Limestone classes to numerous locations throughout South Carolina. In 1996, Limestone College was again in the forefront of providing educational opportunities to working adults through the introduction of the Virtual Campus Program. In Spring 2005, the two programs were combined into the Extended Campus to better serve Limestone's adult students.

Today, Limestone College enrolls 1,100 traditional day students and 2300 Extended Campus students at 8 sites in South Carolina and on the Internet. Limestone's total enrollment is approximately 3,400.

Since 1991, Limestone has completed major renovations of nine of its historic campus structures: the Montgomery Building, Ebert Residence Hall, Carroll Fine Arts Building, Hamrick Hall of Science, Greer Residence Hall, Dixie Lodge, Cooper Hall, Eunice Ford Residence Hall, Granberry Art Building, Winnie Davis Hall of History, and the additions of Ball Residence Hall, the Griffin Center, the Campbell Field House and Brown Residence Hall.

ESSENTIAL BELIEFS AND VALUES

Limestone expects its students to be concerned with two closely related types of development: that of the productive citizen and that of the person working toward intellectual maturity and self-awareness. The undergraduate experience serves as a catalyst for the student's intellectual development and as a means by which each student may reach his or her potential.

Limestone College values excellent teaching and supportive student-faculty interaction, encourages faculty to promote active learning in face-to-face and Internet classrooms, and seeks to cultivate the intellectual curiosity of each member of the College community.

Because our society presents continuing challenges to values, students are encouraged to cultivate respect for other individuals and cultures. Limestone College is a diverse community of women and men of different races, religions, geographic origins, socioeconomic backgrounds, personal characteristics, and interests. It aspires to be a community of learners that is harmonious in its differences, just and compassionate in its transactions, and steadfast in its commitment to an educational program of the highest quality. The College respects each student's religious liberty and provides an environment consistent with the institution's non-denominational Christian heritage.

Limestone College, fulfilling its leadership role in South Carolina, strives to enhance aesthetic and cultural life, integrate qualities of liberal education and career preparation, improve the quality of social services, help meet human resource needs, and promote economic vitality.

- Competence in reading, writing, speaking, listening, and computation;
- Competence in their major discipline; and
- The ability to solve problems and make decisions using critical thinking and available information technologies.

STATEMENT OF PURPOSE

The major functions of the College are to:

- Offer undergraduate instruction in accordance with approved liberal arts curricula.
- Encourage students to participate in a wide variety of student activities including student government, publications, clubs, and professional organizations, intramurals, and social fraternities and sororities. It is the College's intent not only to provide a sound academic foundation, but also to provide the cultural, social, and ethical background for success in daily life.
- Encourage curricula-related work experiences for enrolled students.
- Provide career development assistance for students and alumni.

CAREER SERVICES

Limestone College assists students by offering a Career Services program, located in the Dixie Lodge, Dobson Student Center, 3rd Floor. The four-year developmental process begins during the freshman year, with activities designed to help students better understand their work-related values, strengths, interests, and abilities. Opportunities are then provided for career exploration based on the self-assessment. At the junior and senior level, students receive guidance in developing and implementing a comprehensive job search program. Areas of assistance include understanding the current job market, developing personal marketing tools (e.g., resume, cover letter, and references), networking, and sharpening interview skills. These forms of assistance are also available to alumni who need help with work-related transitions later in life.

CHECK CASHING (GAFFNEY SITE)

The Business Office will cash checks and make change for students enrolled at Limestone College. Students may cash checks at the Business Office from 9:00 - 4:00 p.m. on weekdays. Because of a limitation of College funds reserved for this purpose, checks may not be cashed for more than \$50.00. Checks which are returned to the Business Office for any reason must be taken care of along with a \$25.00 service charge within 10 business days of notification from Limestone College. Acceptable methods of payment for the amount are credit/debit card, cash or money order. If this matter is not resolved, Limestone College will be notifying the Solicitor's Worthless Check Unit for collection. Failure to pay the check and applicable fees may lead to your arrest and criminal prosecution by the Solicitor's Office. If a check is returned and is submitted to the Solicitor's Office for collections, we will no longer accept personal checks as a method of payment.

CONTAGIOUS DISEASE POLICY

Students enrolled at Limestone College who suffer from contagious diseases may be excluded from the campus when their conditions constitute a direct threat to the safety of themselves or to others and the danger cannot be eliminated or satisfactorily reduced by reasonable accommodations.

After consultation with local DHEC and Limestone's consulting physician, the Campus Nurse, Vice President for Student Services, Executive Vice President, and/or President will determine the ability of the institution to accommodate contagious students. Their determination will be based on the consideration of four factors:

1. The nature of the risk (how the disease is transmitted)
2. The duration of the risk (how long the carrier is infectious)
3. The severity of the risk (the potential harm to third parties)
4. The probabilities the disease may be transmitted and may cause varying degrees of harm.

COUNSELING SERVICES (GAFFNEY SITE)

The Sib Collins Counseling Center provides free and confidential short-term counseling services to students dealing with personal and social conflicts or coping with stress due to various reasons, including academic and career decisions. The Center is located in 111 Curtis , past the receptionist, down the Social Work hall, over Campus Security, and is staffed by a professional counselor and a part-time counselor. Appointments are suggested; however, walk-in service is generally also provided. The Center also has a list of local counseling resources for referrals off campus.

DINING HALL SERVICES (GAFFNEY SITE)

Limestone College on-campus dining is managed by Sodexo. All students living in College Housing *are required* to participate in the food service meal plan. The board plan begins the day the residence halls open. The board plan is not in effect during official College vacation periods. **The student ID card (LCard) must be presented prior to each meal.** Presentation of the LCard is necessary because it serves two purposes: 1) it provides statistical information necessary for dining services to determine future needs; 2) it prevents unauthorized use of your meal plan if your LCard is lost or stolen. Anyone not on a meal plan must pay before entering the dining hall. Meal plans may also be purchased by commuters, as well as college faculty and staff from Sodexo. The 21-meals and 12-meals are available to be purchased through the Business Office and, daily meals may be purchased with the LCard, credit card or cash at the Stephenson Dining Hall or Dixie Deli.

The food service manager is in charge of all dining functions and is the facility coordinator for the Stephenson Dining Hall. As such, the manager is authorized to make decisions concerning the use of cafeteria equipment, crowd control, serving procedures, meal selections, etc. The management is always open to suggestions from students and others for improvements in the service. Students are encouraged and invited to discuss any matter relating to the dining room with the Director of Food Services or with the Office of Student Services. Students and other campus groups may desire to use one of the private dining rooms for meetings, dinners, and other events. The use of these facilities should be scheduled through the Director of Food Services well in advance. From time to time during the course of the year, the dining room features special dining events, exam treats, and other surprise events. In addition, the Director of Food Services is available for catering special events and parties, and for making birthday cakes, etc. If a special diet is prescribed by a physician for a student, the Director of Food Services will be glad to cooperate with the student's needs. Under special circumstances (medical conditions), students may obtain a carryout tray. Students can be of assistance in the orderly operation of the College dining hall by observing the following:

- Do not take food, beverages, dinnerware, or eating utensils from the dining room to any other area of the building or campus.
- The exercise of care in returning dishes and other items to the service area will prevent breakage and, in turn, help insure lower student costs.
- Since the dining room serves as an area for socializing and relaxing during mealtime, students must cooperate with the dining hall staff in maintaining the proper atmosphere; orderly conduct is expected.
- **No beverage containers** are permitted in the dining hall.
- **Nothing is to be taken out of the dining hall.**
- The discipline of students in the cafeteria is under the authority of the Director of Food Services. Discipline problems will be referred to the Office of Student Services.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) of 1974 affords students certain rights with respect to their education records.

These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the Registrar, Vice President for Academic Affairs, Academic Dean, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College official to whom the request was submitted shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the College to correct records which the student believes to be inaccurate or misleading. The students should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his/her right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Under the provisions of the Family Educational Rights and Privacy Act of 1974, students have the right to withhold the disclosure of Directory Information. Students should consider very carefully the consequences of any decision to withhold Directory Information. Should a student decide to inform the institution not to release Directory Information, any future requests for such information from non-institutional persons or organizations will be refused.

The institution will honor requests to withhold the information listed below but cannot assume responsibility to contact students for subsequent permission to release them. The institution assumes no liability for honoring instructions that such information be withheld.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including security personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll. [NOTE: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request.]

FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR & 99.31):

- School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605**

As required by FERPA, Limestone College hereby informs current students of its intent to respond to legitimate, third-party requests for the following information:(1) legal name(s) during periods of attendance; (2) date and place of birth; (3)dates of attendance and actual or projected date of graduation; (4) degrees awarded and honors received, including the dean's list and honor roll; and (5) participation in officially recognized activities and intercollegiate sports.

For official college publications and certain types of news media releases, “directory information” includes: (1) legal name and address of the student; (2) name and address of the parent(s), spouse, or legal guardian; (3) date and place of birth; (4) major field of study; (5) participation in officially recognized activities and sports; (6) weights and heights of members of athletic teams; (7) dates of attendance, honors and awards received, enrollment status, and the most recent previous educational institution attended by the student; and (8) photographs made by the College or photographers under contract to the College, including candid photography. This information may be released to anyone at any time unless the student requests, in writing to the Registrar, that such information be withheld. Students who have questions or who wish to withhold permission to publish certain information should write the registrar’s office.

HEALTH CENTER (GAFFNEY SITE)

In order to give proper attention to students’ physical and emotional health needs, the following policy will be observed:

A “Medical History & Physical Examination” form provided by the Office of Student Services must be completed along with a medical examination by the student’s family physician prior to enrolling at Limestone College. The health form should be returned directly to the Campus Nurse. This information could be vital in the event of a medical emergency and is necessary before any student can use the College’s Health Center. State Law requires all students enrolled in public or private educational institutions to show proof of immunizations before enrollment. All students at Limestone should provide a copy of their immunization records with their “Medical History and Physical Examination” form to the Campus Nurse before registration.

Our Health Center is required by law to protect the privacy of personal health information. Upon request, the College will provide you with information about our practices. For information on vaccines, medicines, and lab tests available in the Health Center, stop by to speak with the College Nurse.

The hours of operation for the Health Center at Limestone College are as follows:

Monday – Friday 9:00 a.m. – 4:00 p.m.

Limestone College has a consulting physician, Dr. Todd Morgan. For non-emergency situations, doctors’ appointments will be made on an as-needed basis after an evaluation in the Health Center. If the nurse is needed after hours, she can be reached by a Resident Director (RD).

In case of an emergency, students living in a residence hall should report serious illness or injury promptly to an RA or RD and/or the Office of Campus Security; then the student should go immediately to the emergency room at Gaffney Medical Center or call 9-911. The College assumes NO responsibility for the charges incurred by the student for services rendered by the doctor or the hospital.

HEALTH INSURANCE All students are encouraged to have health insurance to cover the cost of medical care not provided by Health Services. Normally, group medical coverage through a parent’s employer is adequate. However, many HMO, preferred provider, and managed-care plans limit payment of medical services when away from home.

INTRAMURALS

A division of the Office of Student Services, Intramurals provides a wide variety of opportunities for voluntary participation for all members of the college community: students, faculty, staff and spouses. However, dependents, alumni and guests are not eligible. Intramurals are fun, recreational, social and competitive on-campus sports activities.

The goal of our program is to establish a fun and inviting playing environment for all skill levels. If you like sports, there’s definitely something for you! These are designed with the everyday athlete, just like you, in mind. This is a great opportunity for you to have some fun and to try that new sport you’ve always wanted to learn! We have everything from yoga, aerobics, to the traditional sports like volleyball, basketball and dodge ball.

LIBRARY (ANDREW JACKSON EASTWOOD)

The staff, collections, and equipment of the Eastwood Library are an integral part of Limestone’s instructional program, with a goal of educating students to be independent, lifelong learners. All freshmen receive instruction in the use of the library, and specialized instruction for advanced course work is offered to many classes. The library offers traditional and virtual reference services as well as interlibrary loan services. As a member of several consortiums, the library is able to provide expanded services to its patrons including quick access to over 12 million titles within South Carolina.

Library collections are housed in a building dedicated in 1966, and named in honor of a former President of the College, A. J. Eastwood. The building has wireless capabilities; laptops (and iPads) are available for student use. The library’s total holdings currently number approximately 560,955 (this includes our e-book and e-video collections), over 463,660 electronic journals titles (we now have over 155 research databases). We also have audio visual materials including many popular movie titles in DVD format, e-videos and equipment such as LCD projectors and the flip cam. In addition, a curriculum materials laboratory is part of the library, supporting the teacher education program.

Main access to the library’s online services is through the library’s website (<http://my.limestone.edu/library>). There is a vast amount of information available at the library’s website, and you are encouraged to use this resource. Information includes the library online catalog, a variety of electronic resources, electronic books, request forms, links to other libraries, and library policies. There is a link on the library homepage to “Ask a Librarian” for those who need library assistance online via chat or SMS (texting), and email, or by phone.

The library hours are as follows, with the exception of summer, exam, and holiday hours which vary and will be posted:

Monday – Thursday	7:30 a.m.	–	10:00 p.m.
Friday	7:30 a.m.	–	5:00 p.m.
Saturday	11:00 a.m.	–	4:00 p.m.
Sunday	4:00 p.m.	–	10:00 p.m.

The Limestone LCard serves as the library card. All students must present their LCard at the circulation desk at the time books are checked out, or to borrow reserved materials, laptops, and other materials. Print materials from the general circulating collection are loaned for a period of four weeks and may be renewed once, provided they have not been reserved by another patron.

Overdue notices are a courtesy. The student assumes responsibility for returning materials promptly. Any student who loses, damages, or fails to return library materials will be fined according to the policies listed on the library's web site. No one with outstanding fines will be permitted to borrow additional materials until accounts are cleared. If a student believes that an error has occurred, he should contact the library immediately. A student will not be allowed to graduate, take final exams, receive grades, or register for classes until all overdue materials are returned and fines are paid.

Reserve materials are for building use only, unless the faculty member has made other provisions. The Library also has computers available on a first-come, first-serve basis as well as laptops that may be checked out for in-library use.

The use of tobacco products is not permitted in the library. *Reasonable quiet* is expected from all patrons at all times. Patrons will be allowed to use the telephone in case of emergency, but phones are primarily for staff use. The library staff will not page or take messages for students.

Patrons removing materials from the library without checking them out will be dealt with in the following manner:

- *1st Offense* – placed on probationary list for the remainder of the year and checked before leaving the library for improperly checked-out materials
- *2nd Offense* – fined for any theft (\$25 - magazine or pamphlet, \$50 - book from stacks, \$75 - reference book)
- *3rd Offense* – library privileges suspended and crime reported to Campus Security for prosecution

An incident report will be made out for each occurrence, with a copy going to the Vice President for Student Services, one to the patron's advisor, and another kept on file in the library.

Additional Libraries

The Eastwood Library on Limestone's main campus is available to all members of the College community for library services. Materials can be borrowed from other libraries through interlibrary loan; these items usually cannot be renewed. In addition, a number of South Carolina academic libraries have entered into an agreement permitting students to request and borrow materials for a limited time from another academic library with the student's LCard. Students are expected to obey the library's "lending policies."

(Please refer to <http://libguides.limestone.edu/c.php?g=544879&p=3736063> for more information.)

The college also recognizes the importance of local public libraries for Extended Campus students. Note the following information:

- Students may be reimbursed up to \$25/year for a public patron borrowing card at a library near them. The original receipt must be sent to the college library for payment.

MAIL BOXES

Mailboxes are assigned before the student arrives on campus. The mailbox number and combination can be found on the LC portal, Student Services page. When new students arrive at Limestone, they need to visit the Mail Center to locate their mailbox. Mail Center Staff will be available to assist students with opening their box for the first time. Students keep the same mailboxes during their entire time at Limestone, unless they leave.

Student mailing address is:

Student's Name, Box # ____ (do not use P.O. Box)

Limestone College

1115 College Drive

Gaffney, SC 29340

It is important that students check their boxes on a regular basis, as this is the primary method of internal communication on campus. Students are asked to memorize their combinations and use them. Students WILL NOT be allowed inside the Mail Center to get mail from their boxes under any circumstance. Students are also strongly urged to keep their boxes locked at all times. The Mail Center is not responsible for articles stolen from an unlocked box.

Limestone College is fortunate to be located in an exceptionally safe community with convenient police and fire coverage. However, every individual must be aware of potential hazards. Recommended precautions include, but are not limited to the following:

VII. RESIDENCE LIFE (GAFFNEY SITE)

For many students, the residence hall will provide the first opportunity for group living. Group living offers many and varied opportunities and responsibilities. It provides the opportunity to make new friends and to learn more about oneself through relationships with others.

Living with others can be exciting and challenging, but frustrating at times. The most successful living environment is one in which residents show consideration and respect for others. Each resident has a role to play in the establishment of an atmosphere conducive to personal, as well as intellectual development. As is true in any group situation, basic standards are necessary for the convenience and protection of all. The following pages are designed to give information about the opportunities and responsibilities as a resident of Limestone College.

RESIDENCE REQUIREMENTS

Students must be enrolled full-time in Limestone College Day Program to live in the residence halls. Full-time day students may resided with immediate family at their primary places of residence (parent, step parent, brother or sister over the age of 21, grandparents, or step grandparents) within a 50-mile radius of the Limestone College campus @ 1115 College Drive, Gaffney, SC 29340.

Any student wishing to change his/her status from residential to commuting must complete a *Change of Status* form to gain approval for the following semester. The student must provide a copy of the driver's license of the parent, step parent, brother or sister over the age of 21, grandparents, or step grandparents and this person must sign an affidavit indicating their living at the address of record. If a student meets the requirements to change his/her residency, the recommendation of the Vice President for Student Services must be obtained and only the Executive Vice President may give final approval. The College reserves the right to verify the legal residency of immediate family through driver's license, vehicle registration, and/or voter registration records.

Students who are under academic suspension may not attend classes at Limestone College and may not live in the College residence halls. Students who reduce their academic load to less than full-time (12 semester credits) are subject to termination of their housing contract. One exception applies to seniors who are in their final semester and who require less than a full course load to complete their degree program: they may be registered for fewer than 12 semester credits and continue to live in a College residence hall.

RESIDENCE HALLS - POLICIES AND PROCEDURES

ALCOHOL. Limestone College is a dry campus. No alcohol beverage is permitted in any College housing. Any empty bottle found on College property will be confiscated. Alcohol and/or empty alcohol containers that are in plain view (i.e. shot glasses, empty containers, etc.) will allow Residence Life Staff members to search appropriate areas including fridge(s), cabinet(s), drawer(s), closet(s), or any other location that may reasonably hold suspected illegal materials. Any unconsumed alcohol found in College housing, student's room/suite will be confiscated and the responsible person(s) will be asked to pour out the alcohol. If the alcohol is found when the occupant(s) of the unit are not present, such as during break or room inspections, the alcohol may be disposed by the College staff without the responsible person(s) present.

APPLIANCES. Radios, stereos, VCRs, lamps, computers, and televisions are permitted, provided the equipment is kept in safe operating condition. Small refrigerators, which do not exceed 4.0 cubic feet, and 700 watts microwaves, are permitted. In order to reduce the use of electricity, it is recommended that units be ENERGY STAR; available at www.energystar.gov. The following are not permitted: "open element appliances" (i.e. hot plates, space heaters, ovens, deep fryers (fry daddy's), or kerosene heaters). These items will be confiscated when found and the item(s) can be picked up at the close of the semester.

BICYCLES / MOTOR BIKES. Bicycles and motorbikes are permitted, provided they are kept in designated areas on campus. Bicycles may be kept in student rooms. Bicycles at no time should be secured to railings, stair rails, or any other fixture that will interrupt the flow of traffic.

CANDLES, Incense, fireworks, firearms, air guns, knives, ammunition or shell-casings, flammables, explosives and weapons or facsimile thereof are prohibited. Due to concerns for fire safety and personal safety, having or using any items that might be classified under these headings are not permitted on campus. Candles and incense are particularly dangerous as they are easily tipped over or forgotten when residents leave the room. These items will be confiscated.

CEILINGS. Materials such as cloth, paper, wood, canvas, nylon, or any material considered flammable should not be used as a ceiling or wall cover, draped or hung across ceilings, walls, overhead light fixtures, windows, beds or doors.

DARTBOARDS. Dartboards of any kind are not permitted on campus.

DOORS. All room doors should always be locked, especially when residents are not in the room. Students are expected to close all exterior doors. EXTENSION CORDS. Multiple outlet devices that plug directly into a wall outlet are not allowed. Heavy-duty power strips equipped with internal breaker protection are authorized for limited use. All such devices must utilize minimum 16 gauge, 3-wire, grounded three-prong type cord.

FIRE ALARMS. Pulling a false alarm and tampering with fire equipment, including fire extinguishers, are felonies. These are considered serious offenses and will be handled as such.

FIRE SAFETY. Any substances which have the potential to cause fire or explosions are not permitted on campus. Open flames such as candles and incenses are not permitted on campus. Appliances such as George Foreman grills and toasters not permitted on campus.

Tampering with fire extinguishers, fire alarms, and other safety equipment is a violation of local and state ordinances.

When you first move into the building, familiarize yourself with the location of the fire alarm pull stations, stairways and exits. You should plan for a primary and an alternate means of emergency. *Students are expected to evacuate* the buildings promptly and quietly when a practice drill is held. When the fire alarm sounds, all students should move quickly and quietly to the closest exit. Students should proceed out the exit in an orderly fashion to the exterior assembly area and wait for further instructions. Students who are away from their room when the alarm sounds should proceed to the nearest exit without returning to their rooms. The alarm signal is the same for a drill as an actual emergency. Malfunctioning fire equipment should be reported to the residence hall staff member immediately. Failure to evacuate a building will result in disciplinary action.

FIRE SPRINKLERS. Sprinkler heads must not be tampered with, altered, covered or blocked in any way. Do not hang plants, decorations, etc. from sprinklers or sprinkler piping. Water damage to property could result from damage to sprinkler heads. Students who are found in violation will be subject to disciplinary action and a monetary fine to cover all damages.

FIREARMS/FIREWORKS. Firearms, ammunition, shell-casings, dangerous and lethal weapons, (including martial arts equipment), explosives, air guns, bow and arrows, swords, stun guns, paintball guns, BB guns, knives, explosives and fireworks or facsimile thereof are not permitted on campus. Furniture in the common areas of the halls is provided for the use of all students and may not be taken into individual rooms.

HALLWAYS/STAIRWELLS. The hallways and stairways are public thoroughfares and emergency exits. Hallways and stairways should not be blocked with trash, furniture, bikes, or other personal belongings. Any items left in the hallways are a fire hazard and/or a health hazard. Any personal items found in a hallway will also be confiscated.

HALOGEN LIGHTS. Halogen lamps are not permitted in the halls because they operate at a very high temperature well above that of regular light bulbs and pose great potential for fire.

HEALTH AND SAFETY INSPECTIONS. Residents are held responsible for reasonable care in the use of all housing facilities including the good order, safety and cleanliness of rooms. Health and safety inspections will be conducted throughout the year. These inspections are to check for concerns (i.e. fire hazards, multiple electrical plugs, dirty rooms and/or dishes, messy rooms). Notification will be posted at least 24 hours in advance of the examination. The Resident Directors and the RAs will direct the inspection. Those students found to be in violation of the College's rules and regulations will be given 24 hours to correct and clean up the room. Staff will specifically cite problems that need to be corrected to avoid fines. Should the problem not be rectified, the violations of the cited health and safety regulations may result in a \$25 fine and/or disciplinary action.

MAINTENANCE AND HOUSEKEEPING. Maintenance and housekeeping in the residence halls are performed by staff members from the Office of Student Services. The College depends on students to be aware of any damage or situation that warrants attention, and to communicate that as soon as possible by reporting the problem to a residence hall staff member. Prompt reporting of maintenance needs to your RA and/or the Office of Student Services will make a timely response possible. Any problems of heating, air conditioning, or lighting in the residence halls should be reported. If a staff member is not available, students may call the Office of Student Services at 864.488.8373 during normal business hours and the Office of Campus Security at 864.488.8344 after hours and/or on the weekend.

NOTE: To enable the Housekeeping staff to work effectively, residents are asked not to leave belongings in the hallways and balconies, Greer bathrooms and New Hall common areas and/or bathrooms.

RECREATIONAL VEHICLES. Skate boards, Roller Skating, and Roller Blading is prohibited on campus.

Due to safety concerns regarding fire safety and operator safety, Hoverboards are not permitted anywhere on the College campus. The term "Hoverboards" includes but is not limited to self-balancing scooters, battery or gas operated scooters, hands-free segways and electric powered skateboards.

ROOM CHANGE. Each student is assigned to a room at the beginning of each semester and is expected to occupy that room unless a room change is authorized by the Office of Student Services. Applications for room changes must be submitted to Office of Student Services in advance for approval. Unauthorized changes may result in disciplinary action/fine. Room changes will not be authorized until after the add/drop period of each academic semester.

ROOM KEYS. Residents will be issued keys at the beginning of the semester and are responsible for the security of their individual rooms. Duplication of keys is strictly prohibited. Students will be given additional information about hall security at the beginning of the semester. Students are responsible for locking their doors and keeping their keys with them. Lost keys must be reported to the Office of Student Services. There is a \$50.00 fee for lock changes and \$25.00 fee for the *LCard*. Students will receive one free replacement *LCard* each academic year.

SOLICITING AND SALESPERSONS. Salespeople and solicitors are not permitted in the residence halls at any time. Unauthorized salespersons should be reported to Campus Security.

STAFF (RESIDENCE LIFE). The Residence Life staff is part of the Office of Student Services. The staff members are RAs who are enrolled students at Limestone College. The RAs are under the supervision of the Resident Directors (RDs). The RDs are full-time professionals who live in the residence hall. The RDs are under the supervision of the Director of Student Services.

STORAGE. Limestone College does not offer storage space for student's belongings. Several private companies in Gaffney provide space at reasonable prices.

TELEPHONE SERVICE. Telephone service is not offered in student rooms. Residents who are interested in purchasing this service for \$50 per semester may contact the Office of Student Services to request this service be activated. A phone number will be assigned to the room upon installation.

TRASH. Residents are expected to place their own trash in the trash cans outside their residence hall. Personal trash should not be left in the hallways, deposited in the bathroom waste cans or other common areas. If you have anything that will not fit in a common area garbage can, please take it to a dumpster. Leaving trash or any other personal items in residence halls is a violation of safety codes and is punishable by a fine.

VENDING MACHINES. All vending machines accept dollar bills for products. Occasionally machines will break down. Please contact the number on the machine to report malfunctions. See the Business Office for refunds.

WEAPONS. For the purpose of this policy, a weapon is defined as any instrument, article, or substance that is specifically designed for and capable of causing death, incapacitation, or injury. This included, but is not limited to firearms & ammunition; pellets, flare, tranquilizer, stun, spear, air, paintball, or dart gun; pocketknives, knife of any type, including daggers; striking instruments including clubs, truncheons, blackjacks, and knuckles; bow & arrow; explosive devices (both incendiary and chemical, gunpowder, firecrackers; straight razors, martial arts stars, and weapons of any type commonly known as nunchaku.

RESIDENCE HALL REGULATIONS

Group living requires that students be considerate of others and that all residents cooperate in observing the general regulations necessary for the proper standards of living.

DAMAGES AND REPAIRS

Routine "wear and tear" to residence hall facilities is expected, and these associated costs are anticipated and built into operating budgets. However, damage due to vandalism is not a part of the standard budget equation. The College utilizes a direct billing system to recover damages created by student vandalism.

Our goal is to prevent damage, not bill for it. A community damage billing system is employed when there are excessive levels of unaccountable common area damages due to vandalism and/or theft. Deliberate or malicious damage and theft are violations of College and residence hall policy. Damages to common areas are the responsibility of each resident in the community. Each floor is responsible for their hallways, bathrooms and lounges/kitchens. When damages occur in the common areas of the building, residence hall staff members and Campus Security make every effort to find the person(s) responsible. Whenever the responsible student(s) can be ascertained, disciplinary procedures are implemented. If found responsible, restitution will be charged to the student(s). These charges reflect the time, materials, and administrative expense required to correct unusual cleaning or damage situations. There will be a \$5.00 minimum charge for any damage fees billed to student accounts. Also, all other damage fees are rounded up to the nearest dollar amount.

As a general rule, halls and/or floors that share a common area will be jointly responsible for that space. All residents of the hall will be responsible for the stairwells, public rest rooms, and basement areas of the hall. Damage to these common areas will be prorated among all occupants unless individual responsibility can be determined. The Resident Director(s), Director of Student Services and/or the Vice President for Student Services will determine which communities to assess for damages. Students are encouraged to accept responsibility and learn from previous situations.

If a student damages something in a public area, he/she is duty bound to accept responsibility and report these actions. Damages to public areas often go unreported. Failure to take responsibility and allowing members of the hall to pay for damage is tantamount to theft. Students should feel comfortable about confronting fellow residents and others who do not respect College property. Individuals who feel uncomfortable confronting others should report damages to a staff member and/or the Office of Student Services. Games played in the hallway (football, basketball, lacrosse, golf, etc.) cause a great deal of damage. Although these games may not seem destructive, they are dangerous and costly to other students and to the College. For these reasons, this behavior is prohibited indoors. Damage resulting from games played indoors will be treated as vandalism.

HALL MEETINGS are required and may be called by RAs when necessary to communicate with residents. The day and time of meeting will be posted in advance and students are required to attend such meetings. Students unable to attend have the responsibility to contact their RA for all information.

PERSONAL ITEMS IN PUBLIC AREAS - Athletic equipment and other personal belongings may not be left in public areas, hallways and/or balconies. Items left in public areas are a safety, community health, and cleaning issue. Every effort will be made to inform residents that items need to be removed. If items are not removed within 24 hours, they will become property of the College and will be confiscated.

PEST CONTROL –The College contracts with ECO-LAB to spray on a regular basis, but there are several things students can do to prevent pest problems:

- Food should be stored in airtight plastic containers or kept in a refrigerator.
- Dirty dishes should not be left out.
- Laundry and personal items, especially damp towels, should not be piled on the floor.
- Trash should not remain in rooms longer than one week

PETS, of any type, (includes fish, rodents, reptiles, cats, dogs, spiders, snakes, and birds) are not allowed. Discovery of a pet will result in an automatic \$50 fine per occurrence, and any additional monetary fine to pay for all damages caused by the pet.

QUIET HOURS - Study conditions are generally maintained Sunday - Thursday from 9:00 p.m. until 8:00 a.m. and Friday and Saturday from 12:00 a.m. until 10:00 a.m. All other times should be considered as courtesy hours, during which residents are considerate of those who are studying, sleeping, sick, etc. Official warnings may be given by the RAs, RDs, or Campus Security. Students who violate quiet hours may be referred to the Office of Student Services.

RADIOS, TELEVISIONS, AND STEREO equipment is permitted, provided they are not used in such a way as to disturb others. Room doors should be closed when equipment is in use. Repeated loud noise from this equipment may result in a requirement that the equipment be removed from campus.

ROOM ASSIGNMENTS - All resident students are assigned a space/bed in Campus housing. The privilege of occupying a private room is made by request and availability. The request should be in compliance with certain guidelines:

- Requests are taken at the beginning of each semester at registration.
- Payment and a signed Housing contract to reserve a private room.
- Accounts in the Business Office must be in good standing.

Students with the most academic hours are given preference. If a situation arises where a double room has a vacancy, the student occupying the room must choose one of the following options:

- Request a private room (Policy above)
- Find a roommate
- Accept a roommate or move into a room with someone else should the room be needed. If a student is occupying one space of a double room, the room must remain in move-in condition at all times (one bed, one dresser, one closet, and one desk must be unoccupied).

ROOM ENTRY. The College recognizes and respects the rights of its students to have privacy with respect to their individual freedom and their personal belongings. The College also recognizes the responsibility to preserve the wholesome living and learning environments of campus.

ROOM RESPONSIBILITIES - Students are responsible for the rooms to which they are assigned, and all furniture in the room must remain there throughout the semester. At the beginning of each semester, the RA and students inspect the rooms together and note on the room condition form(RCF) any and all damage or missing equipment. Students sign the RCF verifying that any existing damage or missing equipment has been recorded. At the end of each semester, the RAs and students inspect the room noting any new damage. The students sign the RCF, verifying awareness that new damages may be billed to their accounts. Students must report damages as they occur, whether by accident, normal use, or other means. Residents must remove all personal belongings before checking out of rooms. The College is not responsible for personal property that is left in rooms.

- Students may rearrange the furniture within their rooms. Students who willfully or excessively damage College property will become liable for disciplinary action and will be responsible for repair/replacement costs. Any personal furniture in rooms must be removed prior to closing for summer vacation. *Furniture may not be stored in College storage rooms or hallways*
- Room care and cleaning are the responsibility of each student. Rooms should be in an orderly condition at all times.

Students are responsible for their rooms and what takes place in them. They may be held responsible for permitting unauthorized items to be used or kept in their rooms.

ROOM SELECTION for returning students must be made in the Office of Student Services during the Spring semester. Students must pay a \$50.00 non-refundable room deposit prior to making the request.

SEARCH AND SEIZURE – Authorized College personnel/staff members may enter a student’s room for normal inspection, maintenance, and emergency purposes. The student’s personal property is not subject to search by Authorized College Personnel without the expressed approval of the student, except when a reasonable belief exists that there is a violation of public law, College regulations or standards, or the possibility of imminent hazard to the persons or property at which time the right to search may be exercised by authorized College personnel.

Authorized College Personnel- i.e., the RAs, RDs, Director of Student Services, Vice President of Student Services, Executive Vice President, and/or Campus Security have the right of access to students’ rooms in the performance of their duties. Staff members who need to enter a room during the performance of their duties will knock and identify themselves. If there is no response, or if the door is not opened immediately, a second knock, announcing of staff name and purpose for entering room with a passkey will be used and the room will be entered. Contraband items (those prohibited by law or College policy) in clear view may be confiscated by a staff member and used as evidence in a disciplinary proceeding. Such items may be returned at the end of the semester if their possession is not a violation of the law. If the staff members who enter the room believe that contraband items are concealed from view, they shall follow regular search and seizure procedures. Students with authorized residence in the room are encouraged to remain in the room during the search procedure. The staff making the search will provide a detailed list of items confiscated for the occupants of the room. When maintenance enters a student’s room, they will leave a visible response card indicating the nature of the work done.

SIGNS, BANNERS, AND SHEETS may not be hung from room windows, ceilings, or the building roofs.

SMOKE DETECTORS – Should a smoke detector or an alarm malfunction and/or its batteries wear out, residents are required to notify a RA, RD, or the Office of Student Services immediately so it may be repaired or replaced. The tampering with (removing batteries, disconnect or otherwise disabling) and covering of smoke detectors or alarms is prohibited and will result in a fine.

SMOKING - For the health and safety of everyone, student rooms and ALL PUBLIC AREAS of the residence halls including hallways, lounges, bathrooms, elevators, foyers, balconies, stairwells, study areas and in any other common (public) areas have been designated smoke free. Smoking of traditional tobacco (cigarettes, pipes and/or cigars), plant products, and/or use of electronic cigarettes, personal vaporizers and electronic nicotine delivery systems inside campus buildings is expressly prohibited. The rationale behind these prohibitions is that smoking should not take place in spaces where others who may be bothered by smoke are required to pass through or regularly use. Any person choosing to smoke is expected to smoke outside and away from the buildings and is asked to dispose of the cigarette butts in the designated receptacles. Violations of the smoking policy will result in a monetary fine.

VISITATION POLICY - Limestone College permits visitation in the residence halls, apartments and houses during certain hours and in accordance with certain guidelines.

- During visitation, everyone should dress in appropriate daywear.
- Guests should be escorted at all times.
- The host student is responsible for the guests.
- Residents should be considerate of roommate's needs.
- Visitation guidelines include all hallways, rooms, and community areas.
- Violations of the Visitation Policy will result in disciplinary action.

Visitation is permitted between the hours of 10:00 a.m. and 12:00 midnight Sunday through Thursday and between 10:00 a.m. and 2:00 a.m. Friday and Saturday.

VISITORS - Occasional overnight guests of the same sex are allowed in a resident’s room if they do not create an inconvenience for the resident’s roommate or other residents. Guests must limit their stay to two consecutive nights, and observe all College rules and regulations. All guests must be at least 16 years of age. Exceptions must be approved by the Office of Student Services. The host is responsible for actions of guests. Regardless of length of stay, the resident should inform the hall staff of any guest. The resident is again responsible for the actions of his/her guests.

WASHERS & DRYERS - Washers and Dryers are located in each hall, apartment or house. Occasionally machines will break down. Please contact the Office of Student Services, 864.488.8373, to report the malfunction.

WATER BEDS are not permitted.

WINDOW DISPLAYS – Signs cannot be publicly displayed in windows, including, but not limited to street signs, alcohol signs/lights, flags, alcohol containers, or any type of obscene sign.

WINDOW SCREENS are not to be removed because of health and safety reasons. *There may be a \$25 fine for each screen removed or damaged and/or \$100 window frame in Ball and Brown Hall.*

STUDENT MEDIA

- CANDELABRA LITERARY MAGAZINE

THE CANDELABRA is the student literary magazine containing poems, essays, short stories, and art. This is a yearly publication. All members of the Limestone community, including alumni, are welcome to submit material for publication. Prizes for the best poem, essay, short story, and artwork are given at Awards Day in the spring. Editors of all publications are chosen by the advisor of each publication. Preferences are given to students who have worked on the publications in the past. Various awards are presented to staff members at the Spring Awards Ceremony.

STUDENT PUBLICATIONS

Limestone College is the publisher of all student publications, and, as such, has the right to approve such publications. In most cases, this involves the approval of the advisor of the publication prior to going to press. If a student editor wishes to appeal the advisor's decision, a committee consisting of the Vice President for Student Services, the advisor, and the student editor will meet to discuss the decision. If further action is deemed necessary, the President of the College will exercise publisher's rights and decide if Limestone College will publish the material in question.

Limestone College students have the right to speak and publish without fear of censorship. However, such speech or publication should not interrupt the normal operation of the College, and also should fall within the law against slander and libel. It is the responsibility of the student editors and faculty sponsors to practice in both writing and editing the ethics of responsible journalism as set forth by the profession itself.

Statement concerning libel: The College has no interest in censoring student publications. However, it is concerned that no libelous statement be published in them. "Libel" can be defined as any written or published statement which tends to degrade or asperse character or reputation; this can include photographs or cartoons.

- A statement can be libelous even if a person or persons are not mentioned by name, but their identities can be inferred through circumstances mentioned in the writing, and even if the originator of the statement did not intend to harm the person libeled (although in court the plaintiff bears the burden of proving malicious intent).
- An action for libel can extend to anyone concerned with its publication, whether he is author, printer, or publisher.
- The College wishes that all persons participating in the various student publications, including the faculty sponsors, be aware of this definition of libel and of its legal implications.

Statement concerning factual accuracy of reporting: It is the first duty of good journalists to check out their published material for factual accuracy. In such cases where they are relying upon hearsay or rumor, their statements should clearly indicate this.

CHARTERING PROCESS FOR STUDENT ORGANIZATIONS

A written petition for charter must be submitted to the Office of Student Services. A petition for charter will be reviewed by the Director of Student Services who will then pass the petition on to the SGA Senate. The SGA Senate will determine the validity of the request for a charter. The Senate shall act on the organization's petition at the beginning of the 30 day trial period and pass its decision and recommendation in writing to the advisor, the Director of Student Services, and Vice President for Student Services.

During the 30-day waiting period, petitioning organizations will function on a trial basis with all rights and privileges accorded by the Limestone College community, provided that the organization continues to act in a reasonable manner. At the end of the trial period, Student Services will review the petition and recommend it for chartering to the SGA Senate.

I. Requirements for Chartering Campus Organizations

- Submit a Charter Form and a copy of the constitution/by-laws to the SGA Vice President.
- Have at least 5 active members.
- Complete a 30-day waiting period.

III. Rights and Privileges

The structure of a student organization is decided solely by that organization, provided that it continues to meet the requirements established for obtaining recognition, and abides by College rules and regulations, as well as applicable State and Federal Laws.

IV. Revoking a Charter:

The Limestone College Student Services Office may revoke the recognition of a chartered organization. Such revocation will be based on the organization's failure to meet the requirements placed on student organizations by rules and guidelines passed by the Student Services Office and by College policies. The College reserves the right to revoke charters and to deny other privileges to student organizations or groups.

V. Organization Requirements

- Officers must maintain a 2.25 GPA.
- Chartering organizations must maintain their charter status.
- Hazing will not be tolerated.
- One campus community project is required per year. A written report must be submitted within 1 week of the event to the Office of Student Services.
- A minimum of 5 active members must be maintained. If it is determined that an organization's membership falls below five active members, the organization will be placed on probation and granted one full year to regain its membership. If the organization fails to regain its membership, the Senate may revoke the organization's charter.

LIMESTONE COLLEGE ALUMNI ASSOCIATION

The President of Limestone College officially inducts graduates into the Association at the spring and fall commencement exercises. The goal of the Alumni Association is to promote the purpose of the College as reflected in the Mission Statement; to address ongoing needs and interests; to encourage fellowship among all alumni; to provide financial support to the College, especially to the Limestone Fund; and to recruit prospective students.

IX. STUDENT COMPLAINT PROCEDURE

A student complaint is defined as any dissatisfaction occurring as the result of a student's belief that any academic or non-academic situation affects the student unjustly or inequitably. If you have a complaint against a Limestone College student, faculty, staff, or administrator for sexual harassment, discrimination, or assault, and/or domestic violence, dating violence, or stalking you should contact the Title IX Coordinator or one of the Designated Deputy Coordinators. (Title IX. pg. 33)

The student has the right to raise a complaint and to have that complaint considered with courtesy and objectivity, in a timely fashion, and without fear of prejudicial treatment. The following procedures are applicable for a student with a complaint.

- The student should first discuss the matter with the person or persons directly involved, in an attempt to resolve the complaint through informal discussion. The student should make his/her advisor aware of the situation if the advisor is not directly involved.
- If there is no resolution, the student should discuss the matter with the appropriate first level supervisor or administrator both verbally and in writing. The written statement should include a narrative of the situation and the individual with whom the discussion took place. If no resolution is reached, the student may then present a written complaint to the appropriate vice president..
- If reconciliation has not been achieved, the student may then schedule an appointment with the executive vice president, after submitting a written complaint to him/her.
- If after meeting with the executive vice president, the complaint is not reconciled, then the student may schedule an appointment with the President of the College.

For student complaints concerning grades or academic integrity, please refer to the Appendix B – pg. 41 and Appendix C – pg. 44.

DISRUPTIVE STUDENT BEHAVIOR

Disruptive behavior is any behavior that, in the instructor's judgment, interferes with the ability to conduct class or the students' ability to benefit from the learning environment. Students having emotional or mental disorders who may be considered disabled and who are protected under the Rehabilitation Act of 1973 are expected to follow the same standards of conduct as any student.

Faculty members are responsible for managing the classroom environment. Faculty should exercise their best judgment in setting standards of conduct for their courses and take a reasonable approach in responding to classroom disruptions. (Reference – Appendix D, pg. 44)

DROPPING A CLASS

Day Program: A student who wishes to drop a class may obtain a Course Withdrawal Form from the Registrar's Office and take it to the instructor and the advisor for approval. When a student withdraws from a course:

- During the first week of classes (drop/add week), no grade will be assigned.
- During the second week of classes through the last day of classes, the grade of "WP" or "WF" will be assigned.

The student bears full responsibility for all courses on his or her registration schedule. Failure to file a withdrawal form with the Registrar and/or failure to complete a course will result in a grade of "F." Students forced by illness or other hardship to drop a class after the deadline may petition for a grade of "WP" from the Vice President for Academic Affairs.

Extended Campus Classroom: In the Extended Campus classroom format, students must contact the instructor and the Extended Campus Office in Gaffney to drop a class. A Course Change Form will be completed by a staff member and given to the Enrollment Coordinator for the particular Extended Campus course(s) from which the student is withdrawing. When a student drops a course:

- During the first and second class (drop/add period), no grade will be assigned. Also, the student will not be financially responsible for the class.
- During the third through the last class sessions, a grade of "WP" or "WF" will be assigned. The student is financially responsible for the class.

Extended Campus Internet: In the Extended Campus Internet Program, students wishing to withdraw (after the drop/add period) from a course must contact the professor and submit a withdrawal form (<http://www.limestone.edu/extended-campus-forms/extended-campus-withdrawal-forms>) to the Registrar’s office. Failure to do so will result in a grade of F. The request must be submitted prior to the course end date. Day students may not withdraw from an Extended Campus Internet course in terms 1, 2, 5, or 6 after the Day Program drop/add period without the written approval of the Associate Vice President for Academic Affairs.

GRADUATION

To be eligible a student must be in compliance with all College policies including, but not limited to, disciplinary, financial, and degree requirements.

HONOR PLEDGE

Limestone College Honor Pledge

“Honesty in personal and academic matters is a cornerstone of life at Limestone College. Students are expected to achieve on their own merits and abilities, to exercise integrity in all their affairs, and to refrain absolutely from lying, cheating, and stealing.” (The Gaslight Handbook, pg. 41).

I agree to refrain from academic misconduct, as defined in Appendix B, pg. 41 of Limestone College’s Policies and Procedures for Academic Conduct, which is available in *The Gaslight Handbook* and the Office of Student Services. I further understand that there are serious consequences for academic misconduct, outlined in Academic Procedures of the Limestone College’s *Academic Catalog*.

INTELLECTUAL PROPERTY

For the purpose of this policy, “intellectual property” is considered to be creations of the mind in their expressed form such as music, art, poetry, electronic software and/or hardware, computer systems, instructional formats, etc. The term “intellectual property” reflects the idea that this subject matter is the product of the mind or the intellect, and that “intellectual property” rights may be protected at law in the same way as any other form of property.

Limestone College encourages and supports scholarship and research, technical and creative efforts, artistic or literary works, and other academic and service activities and products, new written materials, and many other expressions of research, creativity, and scholarly activity. These works often involve the rights and rewards of ownership, as well as responsibilities and a need for protection during development; these concerns affect the individuals involved, as well as the College as a legal entity.

The following are the guiding principles of this policy:

- The College encourages the discovery and development of original works and dissemination of knowledge as part of its academic mission.
- The College recognizes that the development of original works and the rights to, benefits from, and responsibilities for these works may arise from a variety of efforts.
- The College recognizes that ownership and benefit from intellectual property may be multifaceted and strives to ensure appropriate benefits to all contributors.

Faculty

A faculty member who creates any form of intellectual property shall be the sole owner of that property, except when the faculty member and Limestone College enter into a specific agreement to share ownership of a specific intellectual property. When the College provides designated funds, facilities, or other support for the creation of the property, the College will become the owner unless there is an agreement to share ownership.

Students

In the case of intellectual property created by a student, the student shall be the sole owner of the property unless that property was created under contract to the College or the College provided designated funds, facilities or other support for the creation of the property. In such cases, specific agreements between the College and the student will determine the nature of ownership of the property.

Staff

In the case of intellectual property created by a staff member, the ownership of the property will be held by Limestone College when that property was created as part of the contractual obligations of the staff member. In cases where the property was created as a result of activities external to the contract or when the College has provided designated funds, facilities or other support for the creation of the property for activities external to the contract, ownership of the property shall be determined by specific agreement between the staff member and the College.

WITHDRAWAL FROM COLLEGE

In order for a student to officially withdraw from Limestone College, while school is still in session, he or she must initially come to the Admission's Office and file a *Withdrawal from College* form. Failure to complete the official withdrawal procedure will cancel the College Refund Policy and may result in forfeiture of all financial aid, thus making the student and/or parents responsible for the entire balance of any semester or term.

Students who wish to withdraw between sessions should notify the Registrar's Office, the Vice President for Enrollment Management (Admissions), and the Vice President for Student Services or Director of the Extended Campus. Students are responsible for any balance remaining on their accounts in the Business Office.

To withdraw from the College, the same rules apply as for withdrawal from a course. Students forced by illness or other hardship to withdraw from the College after the deadline may petition for a grade of "WP" from the Vice President for Academic Affairs.

Students who drop out of college for more than eighteen months, not including summer school, must fulfill the requirements of the catalog in effect when they re-enter.

XI. STUDENT CODE OF CONDUCT

BULLYING AND CYBER-BULLYING

Bullying fosters a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims and create conditions that negatively affect learning, thereby undermining the ability of students to achieve their full potential. Limestone College prohibits bullying and cyber bullying on the basis of traits expressly protected by the federal civil rights laws, including on the basis of gender.

Bullying is defined as repeated and/or severe aggressive behavior likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally. It often includes comments about race, color, national origin, sex, sexual orientation or disability. It often involves an imbalance of power, aggression, and a negative repeated behavior.

Cyber-bullying is when an individual is tormented, threatened, harassed, humiliated, embarrassed or otherwise targeted by another person using the Internet, interactive and digital technologies or mobile phones. It may consist of covert, psychological bullying conveyed through web-sites, on-line chat rooms, or multiuser domains where individuals take on different characters and on-line personal profiles. It is verbal (over the telephone or cell phone), or written (flaming, threats, racial, sexual or homophobic harassment) using the various mediums available.

Examples of Social/Professional Sites are Face Book; MySpace; Link In; Twitter.

(<http://www.4vawa.org/domestic-violence/>)

HARASSMENT

The purpose of the harassment policy is to ensure that all persons will enjoy a safe environment free from unreasonable interference, intimidation, hostility, or offensive behavior on the part of anyone associated with the College. Harassment, sexual or otherwise, is unlawful and will not be tolerated by Limestone College.

The policy of Limestone College is to maintain a learning environment free from all forms of harassment and to insist that all persons associated with the College be treated with dignity, respect, and courtesy.

Pursuant to this policy, any comments or conduct relating to a person's race, gender, religion, age, or ethnic background that fail to respect the dignity and feeling of the individual are unacceptable.

This policy extends to conduct of a sexual nature including sexual harassment, sexual violence, and gender based bullying. This policy includes all faculty, staff, students, and administrators of Limestone College.

Sexual Harassment at Limestone College is defined as unwelcome, gender-based verbal or physical conduct which is sufficiently severe, persistent or pervasive that it has the effect of unreasonably interfering with, limiting or denying someone the ability to participate in or benefit from the college's educational program. The unwelcome behavior may be based on power differentials (*quid pro quo*), the creation of a hostile environment, or retaliation.

Quid pro quo sexual harassment exists when there are:

1. unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature; and
2. submission to or rejection of such conduct results in adverse educational or employment action.

Hostile Work Environment includes any situation in which there is harassing conduct that is sufficiently severe, pervasive/persistent and patently/objectively offensive that it alters the conditions of education or employment, from both a subjective (the alleged victim's) and an objective (reasonable person's) viewpoint.

Retaliatory Harassment is any adverse employment or educational action taken against a person because of the person's participation in a complaint or investigation of discrimination or sexual misconduct.

Examples of the above may include but not be limited to:

- Unwelcome or uninvited sexual comments or innuendo
- Oral, written, or electronic communications that are sexually explicit in nature

This policy extends to comments or conduct of a sexual nature, where such behavior tends to threaten or offend any person under the jurisdiction of the College. This policy also includes harassment via e-mail, FAX, telephone, and any other form of electronic communication.

Verbal or physical conduct of a sexual nature will be considered to be sexual harassment when:

- submission to such conduct is made a condition of an individual's employment, living, or scholastic environment
- submission to or rejection of such conduct by an individual is used as the basis for employment or academic evaluation decisions affecting such individual
- such conduct has the purpose or effect of interfering with an individual's work or academic performance or creating an unfriendly or offensive work, living, or academic environment

Limestone College also prohibits harassment towards its employees by persons who are not employed by Limestone College. If a tenant, vendor, repairperson, or other non-Limestone College employee engages in unwelcome words or conduct, please report this to a Limestone College supervisor or administrator so that appropriate preventive steps can be taken.

Limestone College recognizes that persons of both sexes work together and communicate. Although there is no absolute definition of conduct that constitutes sexual harassment in every case, all persons are asked to conduct themselves reasonably in accordance with the preceding guidelines. Limestone College will not tolerate any conduct that fails to comply with the letter and spirit of these guidelines.

HAZING

Limestone College is committed to promoting a campus environment that is just, open, disciplined, and caring. This philosophy supports the educational mission of the institution and our standards for co-curricular programs that facilitate students' development. Limestone College is opposed to any group or organization, registered or otherwise, officially or in fact, that participates in any activity that involves hazing any member of the College community.

Registered organizations and groups shall be permitted certain initiation ceremonies and activities, which, when examined by the ordinary College student, would seem reasonable under the circumstances and justified in view of the purpose for which they are conducted.

The definition of "hazing" is "any conduct or methods of initiation into any student organization, whether on public or private property, which willfully or recklessly endanger the physical or mental health of any student or other person." Such prohibited actions, situations, and activities include, but are not limited to, the following:

1. any brutality of a physical nature, such as paddling, whipping, beating, branding, or forced calisthenics
2. excessive exposure to the elements
3. forced or required consumption of any food, alcohol, drug, or other substance
4. forcing or requiring the theft or damage of any property
5. any activity or situation which would subject an individual to extreme mental or physical stress, such as permitting fewer than six (6) hours of continuous, uninterrupted sleep per night, or forced or required extended exclusion from social contact
6. forced or required conduct which could result in extreme embarrassment, such as nudity;
7. running personal errands for others, such as driving them to class, cleaning their individual rooms and/or intentionally littering or jumbling the house or a room for the person to clean, washing their cars, etc.
8. "Road trips" (dropping someone off to find his/her own way back), scavenger hunts, or kidnaps
9. "Line-ups", including, but not limited to, any activity where individuals are forced to answer questions, memorize stories, poems, or information not directly related to the student organization, or to endure any personal indignity
10. forcing, requiring, or encouraging the violation of any College policy, Federal, State, or local law. Consent shall not be available as a defense to any other prosecution of this action.

Whoever knows that another person is the victim of hazing and is at the scene of such an occurrence shall, to the extent that the person can do so without danger or peril to himself or others, report such an occurrence to an appropriate College official and/or law enforcement official as soon as reasonably possible.

OFF-CAMPUS CONDUCT POLICY

While the College has a primary duty to supervise behavior on its premises, there are many circumstances where the off-campus behavior of students affects College and community interests and warrants disciplinary action.

Limestone College expects students to conduct themselves in accordance with the law. Student behavior off the premises of the campus that violates any local, state or federal law, or that yields a complaint from others alleging law violations or student misconduct will be reviewed by the College. Upon receipt of a complaint alleging off-campus student misconduct, the Vice President for Student Services will review the allegation and pursue an appropriate course of action. Any off-campus student behavior that violates the College Code of Conduct will be subject to disciplinary action following standard College procedures.

PARENTAL NOTIFICATION

If a dependent student (as defined by the Internal Revenue Code) is found guilty of violating the Student Code of Conduct and placed on probation or suspension, or is expelled from the College, parents or guardians are automatically notified by letter. In the case of alcohol or drug violations, the parent or guardian will be notified.

SELF-INJURY, THREAT OR INDICATION OF SUICIDE ATTEMPT

The College policy is designed to help students and their families through a difficult time by ensuring the student's safety and assisting the student. The policy is not intended to punish or cause further distress to an already troubled student. The policy is intended to provide structure for responding to behavior that is of concern to students and staff. The College must consider not only the well being of the individual student, but also the well being of the entire campus community.

Parents and family will be notified in the case of attempted suicide, threat of suicide, or act of self-injury. On-going involvement of parents and family is required in all cases in which the student is allowed to remain enrolled in the College. The specific form of this involvement will be determined through discussion with the student, the student's parents and family, the director of the counseling center and Executive Vice President or designee.

The College, upon the advice of its professional staff, may require a student to withdraw temporarily from the College for medical or psychological reasons. For this reason, the College reserves the right to require further evaluation of a student through appropriate professionals, to establish conditions under which a student may continue at the college, and to recommend voluntary or involuntary withdrawal of the student from the college. In these cases, the student will be encouraged to seek professional care. Such action is not taken for punitive reasons, but because the welfare of the individual and the community mandates these procedures.

STALKING

Stalking is a course of conduct that involves a broad range of behavior directed at a victim. The conduct can be varied, but involves actions that harass, frighten, threaten and/or force the stalker into the life and consciousness of the victim. Stalking includes both physical and electronic stalking. The term "stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to— (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress. (<http://www.4vawa.org/stalking/>) The components of stalking include both the course of conduct and intensity of the behaviors. Methods of stalking can include, but are not limited to, these methods to intimidate and frighten the object of his/her attentions:

- Persistent phone calls despite being told not to contact in any form
- Waiting at workplace or in neighborhood or around the classes of the victim
- Threats, actual or implied
- Manipulative behavior (for example: threatening to commit suicide in order to get a response to such an "emergency" in the form of contact)
- Sending written messages: letters, emails, and/or graffiti
- Sending gifts from the seemingly "romantic" to the bizarre
- Defamation: lying to others about the victim
- Objectification: demeaning the victim, reducing him/her to an object (which allows the stalker to feel angry with the victim without experiencing empathy)

Limestone College takes stalking very seriously and will vigorously prosecute anyone who is identified as a stalker.

2. A student, a College employee or guest may register a formal complaint regarding a Limestone College student by submitting to Campus Security or Student Services the following information:
 - the name of the accused
 - a clear statement explaining the nature and circumstances of the complaint, and witnesses to the incident
 - the names, addresses and phone of the person(s) filing the complaint.

A complaint is a claim by a College community member, or guest, that a student has been involved in a violation of College policy and/or regulation. In some instances, the claimed violation of College policy or regulation may also be a violation of state or federal law. The College reserves the right to conduct a hearing or act on a claim of violation of College policies or regulations on campus and off campus even though civil authorities also have jurisdiction under relevant criminal or civil law. A person filing a complaint is called the victim. The person against whom a complaint is filed is called the accused.

3. As soon as the Vice President for Student Services or designate, has determined that a Student Code of Conduct violation has been committed, the Office of Campus Security may be contacted to fully investigate the alleged violation. All paperwork involved in the investigation shall be turned over to the Vice President for Student Services at the conclusion of their investigation.
4. Once a complaint has been documented, the Vice President for Student Services will be responsible for any communication regarding the matter before the Judicial Board. This will include contacting potential witnesses, sending out notices regarding the hearing, or any changes regarding the hearing. At the completion of the hearing process, the Vice President for Student Services is responsible for sending out notices to the appropriate parties of the results of the hearing.
5. The Vice President for Student Services shall notify the accused of the alleged incident, including copies of all information referred to the Vice President for Student Services from Campus Security and any information they have collected and discovered. Cases in which suspension or expulsion from the College is a possible penalty will always be referred to the Judicial Board for a hearing. The Student Ombudsperson, Advisor, and/or Victim's Advocate will be notified as well.
6. When a Judicial Board Hearing is required, the Vice President for Student Services will notify the Hearing Coordinator. The Hearing Coordinator will schedule a hearing with the Judicial Board members. Under certain conditions, such as semester's end, and holidays, the judicial hearing may be delayed until the start of the next semester.
7. The Vice President for Student Services will speak with the victim regarding the hearing, or any changes regarding the hearing.

8. *Notice of Preliminary Review*

- The accused will be notified to contact the Office of Student Services with regard to a preliminary review with the Vice President for Student Services at least three working days prior to the Judicial Board Hearing. The Vice President for Student Services will speak with the accused and a decision as to whether or not to formally charge the student with a violation will occur.
- The accused will be asked to sign a document indicating that he/she has received notice. Should the accused refuse to sign this document, the Student Services representative, Campus Security officer, or designated staff member will note so on the form, and the student will be considered officially notified.
- The accused may contact the Student Ombudsperson or other person of his/her choice from the College community as advisor prior to meeting with the Vice President for Student Services.
- The victim and the accused, as well as the advisors to all parties involved, will receive a document of all charges, witnesses, and the date, time and location of the Judicial Board Hearing. The charges stated in the notification will correspond to the sections and alleged violation(s) in the Student Code of Conduct.
- During this preliminary review, the student will be advised of the charges against him/her, his/her rights in the Hearing Process, and the possible penalties that may be imposed. The following items will be discussed at the review:
 - a. The accused has the right to face his/her accusers and to cross-examine any witness(es) testifying against him/her.
 - b. The accused also has a right to call witness(es) to testify in his/her defense.
 - c. All parties will be provided a list of the Judicial Board member's names.
 - d. All witnesses for both sides should be registered with the hearing body. All witnesses shall furnish written statements at least two days prior to the Judicial Board Hearing.
 - e. The Hearing Coordinator and Judicial Board, as well as all necessary parties will receive all paperwork pertaining to the case at least three business days prior to the scheduled Judicial Board Hearing.

9. *Notice of Judicial Hearing*

- All hearings will be scheduled at the earliest convenience of all parties; victim and accused. All parties will be allowed to bring any member of the College community to advise them at the hearing.
- Students are expected to speak for themselves. Legal representatives will be allowed in a Title IX case.
- A student unable to attend a scheduled hearing must notify the Hearing Coordinator at least 24 hours in advance of the scheduled hearing. Failure to attend a scheduled hearing will result in a finding of guilty and appropriate disciplinary action will be assessed by the Judicial Board. If the student has a valid excuse or a conflict with the scheduled hearing, then the Hearing Coordinator will reschedule the hearing. The Hearing Coordinator will determine if the student's excuse is valid. The student may appeal the decision of the Hearing Coordinator to the Executive Vice President.
- The Hearing Coordinator will introduce the members of the hearing board, the accused, and the victim.
- Then the case is introduced and the charges are read into the record.

- The accused will then have the opportunity to enter a “Responsible/Not Responsible” on the charges brought against him/her. However, the student also has the right to remain silent without any assumptions being made about responsibility. If the student remains silent, a ‘Not Responsible’ plea will be entered into the record by the Hearing Coordinator.
- The accused shall be permitted to present the testimony of witnesses and other evidence in his/her defense. Defense witness(es) shall be subjected to questioning by the Hearing Board members.
- If the accused pleads ‘Responsible’, then the Judicial Hearing Board will ask for mitigating or extenuating circumstances from both sides about the incident. The Judicial Hearing Board will then excuse the alleged violator and all other parties and meet to determine the punishment to be given.
- If the accused pleads ‘Not Responsible’, the Judicial Hearing Board will then be given the opportunity to ask questions of the victim, any witnesses, and the accused. The accused has the right to remain silent.
- The accused and victim has the right to remain in the room for the case presentation.
- The student has the right to have dismissed from consideration evidence that resulted from confessions obtained by coercion or deceit and objects or documents obtained as a result of an illegal search. An illegal search is one that does not follow the Limestone College Search and Seizure Procedure (pg. 21)
- The witness(es), if any, shall be called into the hearing and may be questioned by the Hearing Board, by the accused and by the victim.
- At the conclusion of the presentation of testimony and when other evidence has been presented, all parties except the Judicial Hearing Board will leave the room. The Judicial Hearing Board shall deliberate and render a verdict.
- The Hearing Board first shall decide, in the light of evidence presented, whether the accused is guilty. A vote may be taken by secret ballot of guilty or not guilty. If the individual is found “Responsible”, appropriate disciplinary actions will be assigned.
- If the Judicial Hearing Board determines the accused is “Responsible”, the Office of Student Services will provide the Board with information regarding the sanction precedent for the offense in question. If the accused has a record of documented violations of College regulations, the Judicial Hearing Board will review the documentation prior to imposing a sanction for the offense. In fashioning an appropriate punishment, the Hearing Board may consider all relevant factors, including, but not limited to, the nature and severity of the misconduct and the prior disciplinary history of the student.

L. WRITTEN REPORT

The decision of the Hearing Board shall be rendered at the conclusion of the judicial hearing. The accused student along with the Hearing Coordinator will sign a notice of the hearing body’s final decision acknowledging the results of a judicial hearing. The Vice President for Student Services or his/her appointee shall deliver a letter to the accused informing them of the overall finding, and detail disciplinary punishment that was imposed within two working days, if applicable.

M. APPEAL

The accused student, victim, Student Services, Judicial Board member(s), or Extended Campus official has a right to appeal a decision for any of the following reasons:

1. *Irregularity in the proceedings* is a specified procedural error or error in interpretation of college conduct procedures may have substantially affected the hearing such the accused was denied a fair hearing or the error prevented the hearing officer or board from making a fair decision.
2. *Penalty inconsistent with the nature of the offense.* The sanction appears to be significantly incongruent with the violation, given either the student’s prior record or the usual action for the offense
3. *New or unconsidered evidence.* New, significant or relevant information regarding the case becomes available that could not have been discovered at the time of the hearing. Information is not considered new if the student did not attend the original hearing or voluntarily withheld information during the original hearing.

Disciplinary action resulting from an Administrative Hearing or Judicial Board is postponed until the student has had the opportunity to exercise his/her right to appeal. However, in cases where a student is deemed a threat and/or danger to self, others, and/or property, the President or Executive Vice President may, upon finding that a danger exists, impose a penalty that is effective immediately, with the right to appeal to take place after the imposition of the penalty.

The written appeal should include a statement for the grounds and the rationale for claiming that an appeal is warranted. Failure on the student's part to attend a hearing will not be grounds for an appeal. The *first step* of the appeal process involves the Executive Vice President. Written requests for this appeal by the accused or Student Services/Extended Campus official must be submitted to the Executive Vice President within 3 working days after the student signs the notice of the Hearing Board 'Written Report' decision. The appeal shall include the reasons for the appeal. The Executive Vice President will notify the hearing officer and the Office of Student Services within three working days of receipt of an appeal. The Executive Vice President will review the written appeal, collect additional information, if appropriate, and render his/her decision within 7 working days of receipt of the appeal.

The *final step* in the appeals' process is to have the appeal heard by the President of the College. Written requests for this appeal by the accused or Student Services/Extended Campus official must be submitted to the President within 3 working days of the receipt of notice of the Executive Vice President's decision. The appeal shall include the reasons for the appeal. The President will review the case, collect additional information, if appropriate, and render his/her decision within 7 working days of receipt of appeal.

Failure to submit a written appeal within 3 working days of a decision by any hearing body or failure to appear before a hearing body is considered to be a waiver of the right of appeal. Working days do not include weekends, holidays, or other times when the College is closed.

XIV. APPENDIX A

PROCTOR INFORMATION

Proctoring software and testing centers are used to ensure testing security and integrity. Below is information about proctoring for Day Students and Extended Campus students.

DAY STUDENT PROCTOR INFORMATION

In general, Day students who may need to have tests proctored are to be tested by the Limestone College Testing Center staff. Arrangements for such tests are made directly by the course professor with Testing Center staff. However, on occasion, due to extenuating circumstances, such as a disability, tests may be proctored by an approved, properly qualified individual other than the professor or the Testing Center staff. Approval may be sought from the office of accessibility and/or academic affairs.

EXTENDED CAMPUS INTERNET STUDENT PROCTOR INFORMATION

For Extended Campus Internet courses, remote proctoring software is used to monitor students while taking an exam. This program requires the use of a webcam and microphone (internal or external). There are also computers that can be reserved to use the software at Extended Campus sites. The software will record audio and video during the exam, so students should make sure to follow the guidelines set by their instructors while testing. Students should select a quiet, private space for testing. When accessibility issues or extenuating circumstances arise, the student may work through the office of accessibility and/or academic affairs for a different proctoring solution.
